## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Llangwryfon Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of Qualification

#### Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The precept amount reported by the Council (£4,098) is significantly different to that provided by the County Council (£3,668)
- The Accounting Statement is not arithmetically correct. The Council has amended the 2022-3 balance brought forward from £17,936 (as stated in the 2022-23 accounts) to £17,397.
- The Council has not provided an adequate explanation of variances between the current and prior year accounts.

#### Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 3: The Council does not publish on its website the information it is required to publish electronically by section 55 of the Democracy and Boundary Commission Cymru etc. Act 2013 and the Local Government and Elections (Wales) Act 2021.

## **Arrangements to secure economy, efficiency and effectiveness in use of resources**

I am unable to conclude whether or not the Council has proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources

- The Council has not provided for audit, copies of its standing orders and financial regulations related to procurement

## **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

## **Approval of the annual return**

In the Annual Governance Statement (AGS), the Council confirms that it has maintained an adequate system of internal control. An important source of evidence over the adequacy of the system of internal control is provided by the Internal Auditor. However, the Council did not receive the Internal Auditor's report until after it had approved the AGS.

We recommend that in future years, the Council ensures it has received and considered the Internal Audit report before it approves the AGS.

## **Information required for audit**

Each year we send the Council an audit notice that sets out the information we need to complete the audit. Failure to provide this information may lead to a qualified audit opinion and potentially an increased audit fee.

We recommend that the Council reviews the annual audit notice to ensure that all required information is provided on a timely basis.

## **Publication of information online**

We recommend that the Council reviews its publication arrangements to ensure that all relevant documents are published as soon as practicable.

There are no further matters I wish to draw to the Council's attention.
